

Dear Grange Community

I am so happy to be back after having been ill with Covid-19 for just under 2 weeks. Although I still feel a little low on energy, I am pleased that my voluntary test from the NHS returned confirming that I have levels of antibodies in me.

It was uplifting to see children and families this morning on the Welbeck side and I have enjoyed visiting the Reception classes and attending violin class with Year 5 Seacole.

Actually, a little time away has helped me to appreciate even more the wonderful staff at our school who carried on brilliantly while I was away. In particular Ms Edwards and Mr Rasheed and Mr Hutchinson managed to ensure that we had enough staff everywhere despite high levels of illness and absence.

These are challenges that most schools are facing and Grange is doing a grand job of keeping our good teaching and learning provision securely in place no matter what the levels of staff absence are.

The children of Grange are so lovely to see as they are kind and caring and curious and growing in their confidence.

Consultation:

We have a very deliberate and careful approach to teaching good behaviour at Grange and I am attaching the draft version of the totally renewed and reviewed Grange Behaviour Policy which is being consulted on.

I would be very grateful if you take the time to read the policy and give me feedback. You will see that our approach is very bold and specific and aligns with our vision of education that focusses on the development of the whole child.

At Grange we are a community and we want every child to actively feel that they belong to a meaningful, caring, supportive community. This sense of belonging sets a child up for life so that they can succeed and thrive as they progress through the journey of life.

Please send feedback via the office email : office@grange.harrow.sch.uk and put for attention Behaviour Policy consultation. This will then be passed onto me by the office.

Wishing you all a wonderful weekend and a productive and uplifting last week of the Autumn 1 half-term next week.

Kind regards

Mr Kerbel
