

Dear Grange Community,

It has been simply wonderful to see everyone back at Grange this week.

One of the Year 5 children told me that at the beginning of the summer holidays he thought that he would love the holidays and not miss school at all but halfway through the holidays he got really bored and could not wait for school to start again.

Another Year 5 child told me that the hardest part about this week has been getting used to getting up early again but he is really happy to be back and is now well into his early morning school routine.

Parents and Carers deserve credit for getting children in nice and early this week at 8.30 for maximum learning time opportunities and we look forward to this continuing through the year.

We have already seen some brilliant artwork produced by our Year 5 pupils and we are looking forward to great progress and work from each of our children through the year.

We were very sad to hear the terribly sad news of the Queen's death and teachers and Educators spent time talking to the children about it today.

A lot of classes watched the BBC Newsround report and you can also access a short tribute from myself on our Grange Youtube channel.

It seems that whatever opinions people hold about the Monarchy and whether Royalty is appropriate in an age of democracy, everyone admired the Queen.

She was so calm and steady under pressure. She really lived a life of service and duty and displayed great humility in her every day actions.

Although she was one of the most famous people in the world, she still was polite and dignified with everyone she came into contact with.

We wish King Charles a meaningful, productive and prosperous reign that leads Modern Britain forwards in humanity, kindness, equity, ecology and human progress.

Next week we start our meet the teacher meetings with parents and carers and we look so forward to working closely with parents and carers this year.

A CC salute and enjoy the weekend.

# YEAR 5 COMMEMORATION WALL FOR HER MAJESTY, THE QUEEN

Yesterday evening, on 8th September 2022, the tragic news of Her Majesty, the Queen's passing was announced. Today, our Year 5's created a commemoration wall to celebrate her life.

# **King Charles III: Proclamation of Accession**

On Sunday at 2pm, the Mayor of Harrow, Cllr Janet Mote, will read the Proclamation of Accession outside Harrow's Civic Centre.

This is one of the most important formal elements in our new King, Charles III's accession to the throne. A second reading will take place an hour later at 3pm in the town centre near Katy's statue. Members of the public are encouraged to attend whichever is most convenient.

These local Proclamations, replicated right across the country, will follow a national reading of the Proclamation on Saturday from St James's Palace.

The Mayor will be joined by civic dignitaries and other local VIPs, including faith representatives. The wearing of formal, national or military dress is encouraged.

We want to ensure that as many local children as possible are given the opportunity to take part in this unique day in the life of our country and witness a special ceremonial occasion not seen for 70 years.
