LETTERS SENT HOME THIS WEEK:

- Keeping your children safe on WhatsApp (**Year 5 & Year 6**)
- Boys Football League Match (**selected children**)
- Trip to Orley Farm School (**Year 3**)
- Christmas Nativity: Invitations (**Nursery, Reception, Year 1 and Year 2**)
- Boys Football Tournament (**selected children**)

REMINDERS:

- **Selected children:** Y5/Y6 Boys Football League Match on Wednesday 30th November.
- **Year 5:** Science Museum Trip on Tuesday 29th November!
- There will be **no** after school clubs after Friday 2nd December.
- **Christmas Donations:** bring your Christmas donations to the office.

Please do not drive in through the main gate to collect your child. We've had parents driving onto the school grounds to collect their child and then driving out in amongst pedestrians walking out. This is a huge risk to our children as they use the main driveway to enter and exit school. **We've had parents parking in neighbours' driveways and parents parking on the zigzag lines outside the main entrance.** We have to be mindful and respectful of our community and courteous to other drivers. The zig zag lines are there to keep all our children and staff safe. If there was the need for an ambulance or fire engine to come into school, they would be hampered by illegal parking! We've had incidents of cars speeding away right outside the gates which is putting our children in huge danger. **PLEASE DO NOT DO THIS!**

A traffic warden was on Welbeck Road after school on Wednesday and issued 4 tickets for illegal parking (I spoke with him and he was very friendly and had our children in mind). He is doing it to keep our children and community safe so please ensure you drive and park respectfully and safely before and after school.

Thank you for keeping our school community safe and respecting one another.

Kind regards,
Mr R Rasheed
Assistant Headteacher

Dear Grange Community,

We take our learning very seriously at Grange. We know that we are building our futures right now by focussing, learning and remembering what we learn. We are building powerful good habits and practising making good choices and indeed we are ensuring that we give our destinies every opportunity to unfold meaningfully and positively.

This is why we call our Grange Curriculum: **The Destiny Curriculum**.

A curriculum is the course of study and the programme we follow.

We really want to share this programme with you so that you can contribute and support our children in their learning.

In this newsletter, you will see the topic map for every subject in every year in the Grange Destiny Curriculum in the Autumn term.

If you want to look ahead and see what we will be focussing on in the Spring term, please visit our website on the [curriculum overview tab](#) where you can see the whole year mapped out term by term.

I really enjoyed speaking with the Student Council this week as they looked through the year 4 curriculum and creatively thought of ideas for a year 4 trip as the Student Council really want more trips for Grange pupils.

We had a great time thinking about their learning and what trips would deepen their learning.

We had a very creative suggestion for decorating the classroom according to a theme and inviting a guest in to imagine travelling somewhere.

Other suggestions (my personal favourite) is a trip to the Sherlock Holmes museum to learn more about the greatest problem-solver ever! The student councillors thought that this would tie in very well with the problems solving that they have been learning about in Maths!

My highlight this week has been visiting the daily worship sessions in each class. I visited 5 classes and will continue my visits next week. This is an amazing moment starting each day at grange where the children reflect on their values and think about how they can be kind to themselves and others.

It is truly a CC moment which builds the children's characters and their powers of confidence and consideration.

Keep learning!

Y5 HOCKEY EVENT

On Wednesday 23rd November, six year 5 children took part in one of Grange's first hockey tournaments! It was held at St Bernadette's Primary School in Harrow and the children got the opportunity to play 5 matches in total. In the build up to this event, they have been training twice a week with GB Hockey player Michael Hoare! They children performed incredibly well and although they didn't manage to win, they made Grange proud by their teamwork and resilience.

Well done team!
