

Dear Grange Community

We are well and truly into 2022.

We have started the year with great determination and positive energy which is reflected in excellent teaching and learning around the school.

Next week senior leaders will start meeting with teachers to go through pupil progress data to plan next steps so that we accelerate progress and raise attainment levels as much as we possibly can. We are ambitious at Grange and have very high expectations!

Unfortunately, we have also had a number of staff and pupils test positive for Covid and so we have been sending letters to encourage Parents and Carers to test their children (with lateral flow device) if their children might have been in contact with anyone who has tested positive. Your children should come to school if they are well and have not tested positive.

Every lesson is carefully planned and we work so hard to ensure that the children make great progress and every day missed is detrimental to progress.

Despite significant levels of staff absence, we have worked so hard to ensure that children have a smooth and stable learning environment and that is not easily achieved but that is our priority.

In Headteacher assembly last week, I focussed on the power of family and the children gave feedback about why they feel that their school Grange is like family.

Here are some of the comments:

"What makes this school a family is that we learn from our mistakes and we listen to the rules..."

"In my opinion what makes Grange school a family is having good meals and our teachers keeping us safe ..."

"...something that makes Grange a family is that the teachers are people that you can trust and they are supportive...but it's not just the teachers, it's also the children because a lot of friends do the same..."

"Our Grange family is so kind, lovely and good"

"It's like we're one. I like my friends, they are nice and our teachers! We are one."

"...when someone is hurt we always make sure that they are alright"

"it is a nice and caring school and really interesting"

"What makes our school a family is respect, kindness and helping others."

"When someone has a bad experience, teachers, friends and family are always there for you to make you happier."

"Family is not about blood or colour but it is about love and caring and Grange is loving and caring"

Next week Student Council will welcome a special visitor. She is a Primary School pupil who does not have the sense of sight and was born without the sense of hearing. She is a powerfully positive child who goes to school like our children and learns and succeeds. We are looking forward to her visit because at Grange we truly value uniqueness and celebrate difference.

We look forward to sharing the experience with you as the Student Council will be taking notes and learning from the visit.

Wishing everyone a good weekend.
