

Dear Grange Community,

We have had a great return to learning after the Easter break. Staff are refreshed and children are eager to learn.

We are working incredibly hard to make sure that children are making at least good progress in their learning and we have invited external visitors to come into school to do learning walks to guide us and keep us focussed on ensuring the best provision for our children.

Mr David Herbert visited today and he was impressed with the calm learning environment with the children immersed in their learning.

HE was impressed by how proactively the staff of Grange are working. HE is preparing constructive feedback for us which we will use to improve and next Thursday we welcome 2 senior consultants from the local authority to visit our school to observe the learning and feedback to us.

We are very proud of our children for their wonderful great Grange CC learning attitudes and we believe in their futures.

Wishing you all a good weekend!

Mr Kerbel
