

Dear Grange Community,

Can you spot your year group **'word of the week'**?

### Mr Kerbel's Compass

In the same way that there is physical geography, which is the wonderful study of where everything is located and how it plays its part in our natural world, there is also spiritual geography.

Spiritual Geography is about locating one's purpose and meaning in life and living according to these critical values.

Here in Britain we are asked to focus on the British values (which we regard as human values at Grange but feel proud as British citizens to be upholding) of:

Liberty: The right for each of us to live our lives as we choose and to be our true selves (Confidence)

Law: The clarity to know that as much as we have rights for ourselves, we have to live in a way that protects the rights of others around us (Consideration)

Democracy: That we sort out problems and differing views in a democratic way (The balance of Confidence and Consideration) through discussing and voting and reaching consensus

Respect: That we do not just tolerate but actively respect each other's communities and cultures in our actions and in our speech and in our approach to each other

Each of us needs to clarify our own values in our roles in life. For myself as Headteacher, I need to be thinking about what is really important for me to bring to our school and how to enable everyone to be their best and achieve the best outcomes for our school. I need to reflect deeply as if I were looking through a microscope to really get to the essence of what is important for our pupils and Staff of Grange. There are basic things that cannot be ignored: We need to ensure that everyone is safe in our school; that health and hygiene is maintained to the highest standard but that is just the foundation and much, much more is required.

Our children of Grange need to learn. They need to learn to be literate and numerate and to have scientific knowledge such as the difference between permeable and impermeable objects BUT if I use my metaphorical microscope, if I use my moral compass to point me in the direction of what is needed, I see that the core learning we need for each of us at Grange is.... - the CC Way.

We need to build our children's powers of Confidence and Consideration. We need to recognise our amazing staff for all they are doing every day to plan and teach and assess and then plan for the next steps of learning. Our children of Grange are making great progress!

I have now been in formal education for 26 years and I have never experienced a school Staff that are working so hard in the last few weeks of the school year.

The Staff of Grange are truly wonderful. We push ourselves hard at Grange and as the Headteacher, I ask much from the Staff. Teaching and educating is not an easy job and the stakes are high because children get only one chance at education and it determines their future. Our Grange staff are ambassadors for the teaching profession. They want to do their best and they want to our children to thrive.

An example today was when one of our teacher's phoned in ill and with existing staff absence it was not easy to think of a suitable cover arrangement. At that moment members of our team pulled together and put 2 classes together and the children received an amazing provision of learning even though it was not from their regular teacher. The teamwork meant that this crisis became a big adventure and even though the children had fun, the quality of their learning corresponded to their regular learning.

From myself, I want to say - THANK YOU GRANGE STAFF! WELL DONE GRANGE PUPILS. The end (of the year) is much more significant than the beginning and we are ending the year with the power of deep learning and our children are gaining the character strengths of Confidence and Consideration. Every bit of Grange learning is powerful fertilisation for the brilliant fruits of our children's futures.

### Next Week:

We can't wait for the Eid fair! It's going to be awesome! Pupils will get a chance to visit the fair before bedtime and Parents and Carers we need you to come into the fair when you pick up your children at bedtime. We want to celebrate together. It has been a tough year and we have all been amazing. We have not just survived; when we look back we will realise that we have flourished!

Please look out for the Book Fair - WE LOVE READING AT GRANGE! The bookfair brings wonderful reading opportunities and raises funds for our school

Please also look out for the Student Council fundraiser next Friday - we are so proud of their independent, powerful confidence and consideration and look forward to their fundraiser.

Wishing you all a great weekend

Mr Kerbel

Headteacher

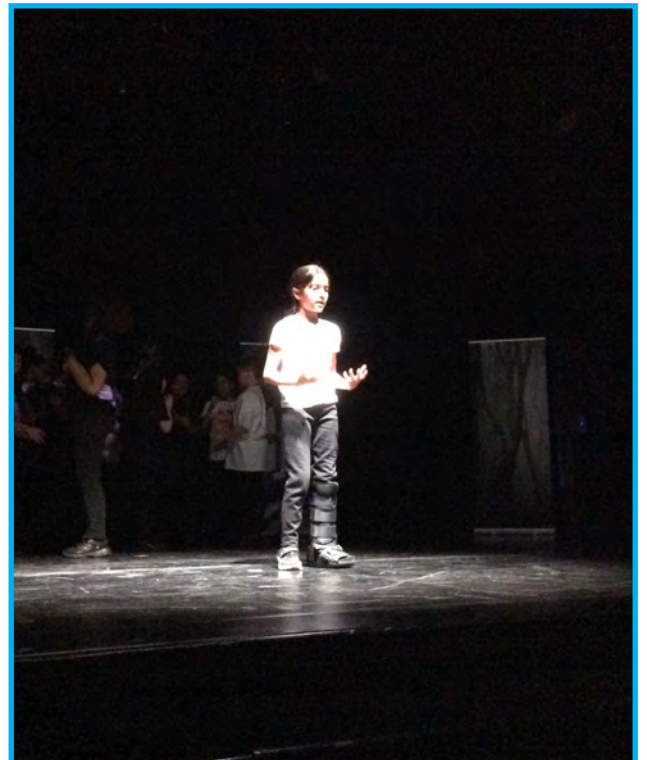

Grange Primary, Harrow

# SEACOLE: SHAKESPEARE REHEARSAL

On Wednesday, 29<sup>th</sup> June, Seacole Class graced the Ryan Theatre with their presence. Their performance of Macbeth will live forever in the minds of everyone who was lucky enough to be present. Even famous actors like Hugh Bonneville (Mr Brown in Paddington) could not help but be starstruck to be in the company of such talent. A wonderful time was had by all and the only downside was that Seacole Class don't get to perform their play again.

Keep your eyes on the newsletter in future to see these stars in action. In the meantime, please enjoy these pictures from our rehearsal.

# Y5 LISTER & NIGHTINGALE: SHAKESPEARE PERFORMANCE

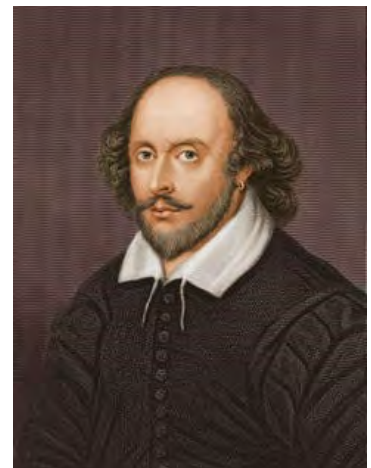

The children have thoroughly enjoyed performing the story of Macbeth. They have written internal monologues as Banquo, poetry and retold the story. They wrote most of the songs performed in the opera and they were a joy to hear. Their progress throughout the project has been phenomenal and we are all so proud of them. They have worked together and their confidence has grown tremendously. Well done Year 5!

"I love learning Shakespeare!"

"That was the best feeling ever!"

# **Hot Chocolate Fridays are back!**

**The lucky children who attended this week are:**

- **Zain from Matisse**
- **Sawyn from Klee**
- **Kaarunyan from Beckham**
- **Ibrahim from Ennis**
- **Uzair from Holmes**
- **Baneen from Lister**
- **Yusuf from Seacole**
- **Fiona from Nightingale**
- **Amy from Mandela**

**To be in with a chance of joining Mr Kerbel for Hot Chocolate Fridays, make sure you keep doing the CC Way and being a Great Grange student!**

# WORD OF THE WEEK

To support pupils in accessing our curriculum, teachers have carefully selected key vocabulary to teach using evidence-based strategies.

Children, why not explore your year group's WOTW with your family this weekend? You could research the origin of the word (etymology), find synonyms for your WOTW or find out how to say the word in different languages!

**Year 1**

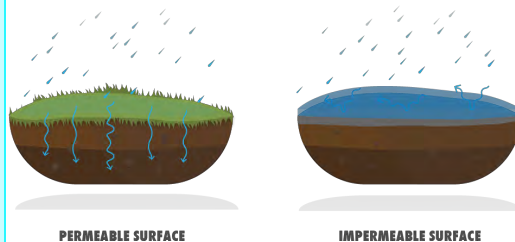

**Microscope:** A device that magnifies tiny objects, or makes them look larger.

**Year 2**

**Hygiene:** The way we care for our bodies. It includes many activities, such as washing hands, brushing teeth, and bathing.

**Year 3**

**Permeable:** Having openings that let liquids or gases pass through.

**Impermeable:** Something that does not allow water or liquid to pass through it.

**Year 4**

**Fertilisation:** The joining of an egg and a sperm. It happens inside a woman's reproductive system and is the first step of a pregnancy.

**Year 5**

**Physical Geography:** The study of the Earth's natural features, such as mountains, rivers, deserts and oceans

**Year 6**

**Correspond:** To match or be similar or equal to something

# DATES FOR YOUR DIARY

## SCHOOL CALENDAR

## INDEPENDENT WRITING

A year 4 student has written this piece about their "Unexpected Journey" today! They wrote it spontaneously and completely independently.

Annie  
My unexpected J. journey this morning. 10/07/22

This morning a Beckham class found out that our teacher, [REDACTED], ~~we~~ had fallen ill. Because of this we had to ~~a~~ join Ennis class for the morning. Miss Hewer was teaching Ennis class and she told us to get ~~at~~ our stationery from the classroom. After getting <sup>our</sup> stuff ~~for~~ and doing the register, we all moved to a bigger class in the blue corridor, because it was very cramped in ~~for~~ Ennis class. In the bigger class we were still abit ~~cramped~~ cramped but it was better ~~to~~ than before. ~~Attt~~ Altogether there were 50 of us, so we had ~~that~~ three educators, [REDACTED] and ~~mist~~ [REDACTED], we also had [REDACTED] as our teacher. From there it was all pretty normal, we did Maths and English ~~us~~ ~~usually~~ usual, and after Maths we went back to our usual classes. It was a great experience, we all had ~~a~~ lots of fun and I wish we ~~to~~ could do it more often.

# EYFS SPORTS DAY!

## EYFS Sports Day

**When?** Monday 18th July  
2022, commencing at 10am

**Where?** Grange Primary  
School, Welbeck Road,  
HA2 0RY

***Nursery & Reception on the  
field***

# Student Council: Fundraising Sale

On Friday 8th July, our amazing Student Councillors will be having a Fundraising Sale.

They will be making homemade lemonade to sell and will even have ice creams!

Student council have organised this independently with some guidance from Mr Kerbel & Miss Hardisty, and it is due to be a brilliant sale!

We are going to be hiding vouchers all over the school next week so keep your eyes peeled for a discounted ice cream or lemonade! 🙄

# KS1 & KS2 SPORTS DAY!

**When?** Tuesday 19th  
July 2022, commencing  
at 9:15am (opening  
ceremony 9:05-9:15am)

**Where?** Grange  
Primary School,  
Welbeck Road,  
HA2 0RY

***Year 1, 2 & 3 on the  
playground***

***Year 4, 5 & 6 on the  
field***

Whittington Health  
NHS Trust

# White Rose Maths: 1-minute maths

## Who's it for?

This first version of the app is aimed at Key Stage 1 pupils, and focuses on adding and subtracting – and on 'Subitising'. They've also just added multiplication and division topics! The free mobile app is available for Apple/iOS, Android and Kindle.

## How does it work?

1-Minute Maths offers children engaging and easily accessible practice in basic number. There's no specific route or starting point. Having chosen a topic, each user answers a series of randomly generated questions (a different set of questions every time means they learn the concept, not a sequence of answers).

When the one minute's up, the questions are automatically marked and presented on a breakdown screen, giving instant feedback on how they've done. If they're struggling with a question, a 'Hint' button reformats the question as a familiar manipulative display that mirrors the approaches used in the White Rose Maths schemes of learning.

BEETROOT DAY MENU: 8TH JULY 2022

# NATIONAL BEETROOT DAY

FRIDAY 8<sup>TH</sup> JULY 2022

LOOK OUT FOR BEETROOT  
SALAD AND BEETROOT  
BREAD ON NATIONAL  
BEETROOT DAY!

The  
**Pantry**  
ThePantryCatering.co.uk
