

Dear Grange Community,

As we race towards the end of the academic year, it is important for us to celebrate the special moments that are taking place in our School.

Today the 3 year 5 classes presented an amazing violin concert. They performed pieces including improvisations and a song composed by one of our violin teachers specially written for Grange called: 'A Hero Steps Up'.

It was so well attended by Parents and Carers and our children of Grange shone forth. The violin bowing was thoroughly impressive especially when the bows were perpendicular to the violin itself.

The children were so impressive and the magnetism of the music was riveting.

They are so talented and I just can't help being so very proud of them. If I were to open an atlas and dream about where in the world I would want to work, it would come back to Grange with these sensational children and dedicated staff who make a difference every day.

What they have learnt in just a year is truly incredible.

Thanks must go to Harrow Music Services and the sensational, brilliant supportive teachers, Ms MacKay and Ms Warnock.

This week we enjoyed our Eid fair where the ice-cream truck did a roaring trade. The queue was so long and many people devoured and relished their ice-creams in the manner of a carnivore eating meat!

Our student Council has come up with some amazing ideas and this week they went to Aldi to shop for ingredients to plan their own ice-cream and lemonade sale which they hosted today on the Welbeck side after school.

A special shout-out to Cosmina, Niki, Irfan and Fareeha who ran the stall alongside Miss Hardisty and made a profit with their sales which they will be deciding how to spend this coming Thursday at Student Council.

They used organic lemons for the stall and we are proud of them for persevering no matter what!

Gareth Thomas our local MP visited our Eid fair chatted with me about our school and even took up our cause in the House of Commons (you can spot it on Twitter) and argued for more funding for 'outer London' schools "... such as Grange Primary School [who] do a terrific job..."

We appreciate Gareth's support and friendship for our school.

We are processing our SATS results and although we have not released them yet, we are so proud of our children for fantastic results in KS2 Sats, Multiplication Timestable Challenge and the Phonics in Year 1.

Grange is flourishing and ending the year powerfully with celebration and appreciation.

We look forward to graduation of the Year 6's next week.

Have a wonderful sunny weekend.

Get some reading done.

Mr Kerbel

Headteacher

Grange Primary, Harrow

EID FAIR! PT1

On Tuesday, we had our Eid Fair. It was a day packed full of excitement & fun! We played ping-pong, we bounced on the bouncy castle and we even got glitter art on our faces and henna on our hands! It was a thoroughly enjoyable day and we loved seeing lots of faces there. Gareth Thomas MP even paid us a visit!

EID FAIR! PT2

HEALTHY EATING: BROZE AWARD

Grange renewed our
Healthy School's
Bronze Award and Ms.
Thurlow presented to
the forum about
Healthy Eating Week
at Grange!

WORD OF THE WEEK

To support pupils in accessing our curriculum, teachers have carefully selected key vocabulary to teach using evidence-based strategies.

Children, why not explore your year group's WOTW with your family this weekend? You could research the origin of the word (etymology), find synonyms for your WOTW or find out how to say the word in different languages!

Year 1

Atlas: A bound collection of maps.

Year 2

Carnivore: An animal which eats only meat.

Year 3

Organic matter: Matter that has come from a recently living organism. It is capable of decay, or is the product of decay.

Year 4

Magnetism: An invisible force or field caused by the unique properties of certain materials.

Year 5

Perpendicular: Lines which intersect at 90° to form a right angle.

Parenthesis: The use of a phrase, word or sentence that's added into writing as extra information or an afterthought. It's punctuated by brackets or commas.

Year 6

Thorough

Minimal

Thorough: (1) Leaving nothing out; complete.

(2) Correct in every detail.

DATES FOR YOUR DIARY

White Rose Maths: 1-minute maths

Who's it for?

This first version of the app is aimed at Key Stage 1 pupils, and focuses on adding and subtracting – and on 'Subitising'. They've also just added multiplication and division topics! The free mobile app is available for Apple/iOS, Android and Kindle.

How does it work?

1-Minute Maths offers children engaging and easily accessible practice in basic number. There's no specific route or starting point. Having chosen a topic, each user answers a series of randomly generated questions (a different set of questions every time means they learn the concept, not a sequence of answers).

When the one minute's up, the questions are automatically marked and presented on a breakdown screen, giving instant feedback on how they've done. If they're struggling with a question, a 'Hint' button reformats the question as a familiar manipulative display that mirrors the approaches used in the White Rose Maths schemes of learning.
