

Dear Grange Community,

Our children of Grange are truly wonderful because they come from your families. We have so much diversity in our school and it makes it rich and interesting and powerful.

Although we have 141 children with English as their first language, we also have 69 children with Romanian as their first language and 69 children with Arabic as their first language. There are 38 children with Pashto as their first language and 30 children with Dari as their first language.

It is a privilege to work and learn in our school together.

IMPORTANT:

The school will close at
2:15pm on Friday 27th May.

Afternoon nursery will run
from 12:15-2:15pm.

Diversity also brings challenges. We have so many cultures and religions and different parenting styles. This is wonderful as the saying goes: "God bless the child who has his and her own!" Children should have their own families and cultures and communities which is their birth right.

However, the differences mean that children have different knowledge and information from different sources but they all need to know how to be safe.

Children talk to each other and socialise and we need to find a common ground to keep them safe especially in the core area of human relationships and sexuality.

We feel that it is imperative for all children to have the security of a clear, safe approach to relationships.

They need to understand safety and their right to privacy and their responsibilities to others.

We do teach Relationships and Sex Education at Grange in an age appropriate fashion and with boys and girls separate from Yrs 4-6.

We have sent letters and you have the right to withdraw from certain lessons.

Our goal is to ensure that children do not engage in any type of relationship that is not self-respecting and not age-appropriate.

We encourage them to live the values of their families whilst respecting themselves and others. There is no encouragement of licentiousness or inappropriateness.

We want our children of Grange to know how to answer back to anyone who tries to engage them in any inappropriate conversation or activity.

We want them to be confident and considerate.

Please read the letters carefully and I look forward to discussing with any parent/carer who would like reassurance about the value of these lessons.

Kind regards

Mr Kerbel

Children who normally have hot lunches will still be provided with their lunches as per usual.

IMPORTANT: PACKED LUNCHES

If your child is having a packed lunch, please provide it in a secure box or bag with nothing breakable. Your child should be provided with food that is easy to eat and nutritious.

The School has a Healthy Eating Policy and sweets, nuts, chocolate and fizzy or canned drinks must **not** be included in the packed lunch. Water and milk are provided for all children at lunchtime, so a drink is not needed unless you wish to provide one.

Using Jigsaw PSHE we will be covering our Relationships and Sex Education (RSE) lessons in the summer term. The puzzle—Changing Me—deals with change of many types, from growing from young to old, becoming a teenager, assertiveness, self-respect and safeguarding. Self and body image, puberty, attraction and accepting change are diverse subjects for children to explore. Each year group thinks about looking ahead, moving year groups or the transition to secondary school. Life cycles and how babies are made and grow are treated sensitively and are designed to meet children's needs. All year groups need to learn how people and bodies change. This Puzzle links with the Science curriculum when teaching children about life cycles, babies and puberty.

Please take time to watch our short video on YouTube https://youtu.be/KU_hgvHMm8U explaining the changes and linking you to our online survey (<https://forms.gle/3JNWB8g4vKXhnHh99>)

IMPORTANT REMINDER: CLASSROOM BIRTHDAY TREATS

Please note that all birthday celebration items to be brought in only if PRIOR arrangements have been made with the school office. All foods must be pre-packaged and store bought. **Please do not send cakes, cupcakes, doughnuts, biscuits or sweets (these will be sent back home).** Some healthy snack ideas are popcorn, crackers, pre-packaged fruit, bananas, satsumas, raisins.

We are strongly encouraging families to send non-food items on birthdays. Instead of edibles, please consider sending something for the children to enjoy such as pens, pencils, erasers, markers, notepads, stickers, bookmarks, matchbox cars, tops, whistles, bubbles, a game for the classroom, or a classroom book.

Please remember to call the school office or pop in if you would like to send in any birthday treats for your child's class.
