

Dear Grange Community,

Words of the Week: (can you spot them in the following paragraph? Did I use them well - Please tell me next week at Grange!)

The heat is so intense as a write that I feel I might undergo the metamorphic process!

However, the teamwork at Grange has been brilliant this week and we have all worked together to solve problems and achieve progress - the CC way!

We are creating our own Grange mythology and in years to come many adults and children will speak of the CC Way.

They will speak with confidence and consideration because they are Grange Graduates.

It is the year 2022 Anno Domini or as sometimes referred to 2022 of the Common Era.

In the same way that we study Humanities at Grange and refer to pilgrims who made pilgrimages and great civilizations of the past, in our own future lives we will look anti-clockwise back to our own past and appreciate how much we have learnt and progressed.

The secret is to realise that as we live the only direction that we can shape is forwards and if we make the most of every day, we will build brilliant futures for ourselves and be able to look back on our past with an appreciation that we did our best.

The Grange podcast this week features 'Headteacher Hot Chocolate' children giving insight into the secrets of their success.

In the words of one of our Grange Champions: "I just love learning!"

Eid Fair:

I am very excited about our upcoming Eid fair and best of all, I authorised the bouncy castle hire today.

Look out for more information coming up.

It is full of fun activities and all the wonderful richness of our Grange British Diversity experience.

Pupil Voice:

We are so proud of our Grange pupils because they have the confidence to come up with brilliant ideas and influence the Headteacher to improve the school.

Credit goes to **Blessing** of Yr 6 who came to School Council and proposed that we should have a summer mufti day which would help with the heat as children could wear cooler clothes, and this idea made so much sense to me that I managed to work with the office to get the message out before the end of the day.

Credit to the Office team for their speedy, effective work and we all enjoyed our mufti day today!

Sports Day:

Sports Day planning is well underway and the best news is that after 2 years of the pandemic, our Parents and Carers of Grange are going to make their comeback.

You are all invited. Details to follow.

Please start doing stretches and training because we are all looking forward to the Parent/Carer races!

Also a big thank you to PC Kubik for the donation of our latest Grange pet, The Sojourner Truth Fish, also known as Goldie!

Mr Kerbel
Headteacher
Grange Primary, Harrow

Have a great weekend
and stay safe in the
sunshine!

HARROW CRICKET FINALS DAY

On Tuesday, 8 children across year 5 took part in the Harrow Cricket Finals Day. The girls batted, bowled and fielded very well.

Most importantly, they had a great time.

Well done Team Grange!

YEAR 4: SCIENCE MUSEUM TRIP

On Friday, 10th June 2022, Year 4 children went on a trip to the Science Museum. The children were really excited about the trip because it supported the topics of Sound, states of matter and Living things which the children had already learnt in Science.

The children travelled by train from South harrow station to South Kensington station. It was a beautiful day and the weather was perfect!

The children visited the first three floors of the museum which included progress in the field of medicine, the human body, the clock makers museum, engineering your future and making the modern world. They had a great time at the museum.

This was the first trip for the children after COVID.

Mattr from Holmes class said, "I learnt a lot of fun and interesting things about Science".

Hot Chocolate Fridays are back!

The lucky children who attended this week are:

- **Bathanan from Matisse**
- **Zayan from Klee**
- **Lorik from Beckham**
- **Ana Maria from Ennis**
- **David from Holmes**
- **Branshika from Lister**
- **Ranuki from Seacole**
- **Misk from Nightingale**
- **Sana & Sarab from Tubman**
- **Habiz from Parks**
- **Jabril from Mandela**

To be in with a chance of joining Mr Kerbel for Hot Chocolate Fridays, make sure you keep doing the CC Way and being a Great Grange student!

YEAR 6: POP ART

This term year 6 are studying Pop Art, this type of art began in the 1950s, in Great Britain and the United States. Pop Art is a style of art based on simple, bold images painted in bright colours.

Year 6 will be researching artists such as Andy Warhol and Roy Lichtenstein. The children have used these artists and created their own introduction page for this topic.

You will agree they are fabulous!

CRICKET TOURNAMENT

Last week, 8 budding cricketers took part in a tournament at Harrow St Mary's Cricket Club. The children gained valuable skills and had an enjoyable time. They will be taking part in the finals very soon!

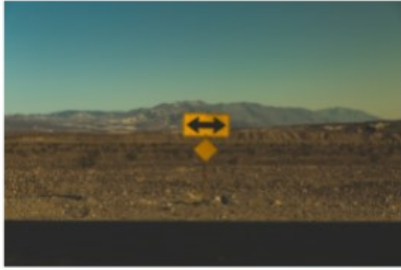

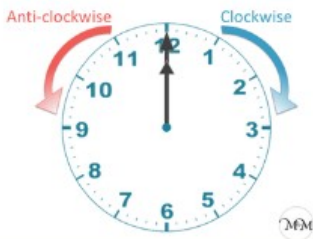

WORD OF THE WEEK

support pupils in accessing our curriculum, teachers have carefully selected key vocabulary to teach using evidence-based strategies.

Children, why not explore your year group's WOTW with your family this weekend? You could research the origin of the word (etymology), find synonyms for your WOTW or find out how to say the word in different languages!

Year 1		Direction: The line or course along which something moves, lies, or points.
Year 2		Anti-clockwise: The opposite direction to the way hands on the clock go.
Year 3	 	Metamorphic Rocks: Rocks that have been transformed by heat or by pressure.
Year 4		Mythology: The rich collection of traditional tales called myths from cultures all over the world.
Year 5		Pilgrim: Someone who travels to a foreign place, sometimes for religious reasons.
Year 6		Anno Domini: (Latin: "In the year of (our) Lord") Shortened as A.D., used to refer to the years after the birth of Jesus.
