

Year 4 Home Learning

Below is a list of learning you can do at home. You will find the resources for many of the activities attached, and can use the workbook to record your learning.

English Reading

| | |
|-----------------|--|
| Daily Reading | Read a book of your choice and record your reflections in your reading log. |
| Book Review | Use the template to create your own report for a book you have read. |
| Book Comparison | Read two different genres of books. Reflect on which book you preferred and why. |

English Writing

| | |
|----------------------------|--|
| Diary Writing | Create a diary entry from the point of view of a character from a book or film. Include the date, dear diary, first person, time adverbials, past tense, colloquial language, rhetorical questions, emotive language and paragraphs. |
| Story Writing | Use the story map to plan your plot, characters, and setting. Then write your own story including descriptive language, adverbs, varied openers, paragraphs, conjunctions, and a range of punctuation, including dialogue. Now can you tell your story out loud to an audience? |
| Newspaper Report | Create your own newspaper/blog about current affairs and experiences. Include headings, subheadings, speech, and a range of vocabulary and punctuation. |
| Upleveling and Editing | Recap GPS features learnt and see if you can “uplevel” examples in real-life magazines, newspapers, reports, websites etc. Can you find and uplevel: <ul style="list-style-type: none">- Adverbs- Manner adverbials/ Time adverbials- Conjunctions- Inverted commas (speech)- Punctuation- Prepositions |
| Documentary Script writing | Write a script to present a documentary on a topic of your choice. Make sure to include facts and explanations using the 'cause, impact, solution' model discussed in class. Then record yourself presenting your documentary to send to your class teacher. |

Maths

| | |
|-------------------------------|---|
| Times Tables Rockstars | Take part in daily times tables competitions, or test your speed by answering multiplication and division questions up to 12x12 on https://ttrockstars.com |
| Four Operations Flashcards | Create your own flashcards for the four operations. Put the question on one side, and the answer on the back. Can you quiz yourself, or have a friend quiz you? Addition – 4 digit add 4 digit (with carrying) Subtraction – 4 digit take away 4 digit (with exchanging) Multiplication – 2 or 3 digit times 1 digit Division – 2 or 3 digit divided by 1 digit |
| Arithmetic | Practice your arithmetic skills by completing the tests and arithmetic worksheets. |
| Fractions | Complete the fractions investigations using your knowledge of quarters, thirds, halves, fifths, tenths and wholes. Remember to use the key vocabulary: Numerator Denominator |
| Word Problems |  Create your own word problems for the operations of your choice. Could you quiz yourself, or a family member? |

Science

| | |
|---|---|
| STEM Project: Westminster Abbey  | Can you create a replica of Westminster Abbey using appropriate materials? What design features will you use to add details? How could you create stained-glass windows? Remember to follow the scientific process for a STEM project: <ul style="list-style-type: none"> - Ask – identify the needs and constraints - Research – research the problem - Imagine – develop possible solutions - Plan – select a promising solution - Create – build a prototype - Test – test and evaluate the prototype - Improve – redesign as needed Record each stage of your project in your workbook, either by writing a reflection, drawing a picture, or by sending a video to your class teacher. |
| Sound Survey | Can you conduct a sound survey in and around your home? What type of sounds can you hear? Create a poster, diagram or diorama to explain how the sounds travel from their source to your ear. |
| Science Investigations | Find an exciting experiment to complete on the website: https://sciencebob.com/category/experiments/ https://sciencefun.org/kidszone/experiments/ Keep track of your findings, results, and reflections in your workbook, or by sending photos or videos to your class teacher. |

History/Geography

| | |
|-----------------------------|---|
| Historical Figure Biography | <p>Research information on a famous person from the past, local to Greenwich. Why are they important to you, and to our world today? What were their accomplishments?</p> <p>(examples include King Henry VIII, Lord Nelson, Arthur Tyler, Sir John Vanbrugh, Daniel Day-Lewis)</p> <p>Write a biography about the famous person. Ensure to include:</p> <ul style="list-style-type: none"> - Early Life - Key moments or accomplishments - Why they are famous - Why they are significant in our world today |
| Ancient Egyptians | <p>Conduct your own research on the Ancient Egyptians. How will you present the information you have learnt? Consider creating a presentation, portfolio, video, blog, diorama, etc.</p> <p>Key questions for you to consider are:</p> <p><i>Who were the Ancient Egyptians?</i></p> <p><i>What impact did they have on modern society?</i></p> <p><i>What was life like in Ancient Egypt?</i></p> <p><i>What are Mummies? What was involved in mummification?</i></p> <p><i>What was the purpose of the pyramids? How were they built?</i></p> <p><i>Who was Tutankhamun? What is his legacy?</i></p> <p><i>Who were the Ancient Egyptian gods? What did they represent?</i></p> |

Art/DT

| | |
|---------|---|
| Drawing | <p>Create an urban and rural landscape drawing using a range of shading techniques. Compare the two. Which techniques suit each environment best?</p> <div style="display: flex; justify-content: space-around;">   </div> |
| Sewing | <p>Can you use the skills learned from our recent art visit to sew a picture of your favourite animal?</p>  |

PE

| | |
|------------------|--|
| Circuit sessions | <p>Pick 6 exercises to complete (including a rest break). These should be varied and focus on a range of muscle groups (e.g. don't just do legs!)</p> |
|------------------|--|

| | |
|------------------|---|
| | <p>Warm up, by doing each exercise for 1-minute focusing on your technique and getting the movement correct (clips on youtube can help with this).</p> <p>Once you are feeling warm, perform each activity for two minutes (with minimum break) you should be aiming to perform each action to full effort, without losing your form.</p> <p>Cool down with gentle stretching of the whole body</p> <p>You can increase difficulty by adding weight (e.g. 2 tins of food) or by using a taller chair for some of the exercises</p> <p>Ensure you risk assess each area for any possible hazards and ensured that you are in good physical health to do so. If you are feeling unwell or displaying symptoms please consider rest.</p> |
| Online resources | <p>Cosmic Yoga is an online platform for yoga, mindfulness and relaxation. https://www.youtube.com/user/CosmicKidsYoga?pbjreload=10</p> <p>Supermovers BBC combines the different topics to specific actions and dances to get people moving https://www.bbc.co.uk/teach/supermovers</p> <p>The body coach has 5-Minute Kids Workouts and adult centric circuit sessions. Look out for his healthy recipe ideas also Youtube Body Coach 5 minute Kids Workout</p> <p>Nuffield Health for Kids is a registered health provider in the UK who have created a small exercise video that can be done daily https://www.youtube.com/watch?v=aHVR2FnTpdK</p> <p>GoNoodle creates dances and movements to some of the most random topics imaginable! https://www.youtube.com/user/GoNoodleGames</p> |

French

| | |
|--------------|--|
| Labelling | <p>Use an online French-English dictionary to label familiar objects around your house with post-it notes or scrap paper. E.g. chair = chaise</p> |
| Conversation | <p>Teach an adult or a sibling how to greet one another in French. Practice your conversational French by asking them how their day is and teaching them how to respond in French.</p> |

My Book Review

Title: _____ Author: _____

Write a summary of your book:

I enjoyed... because...
What gripped me was...because...
The most surprising thing was...

I disliked... because...
My least favourite part
was...because...

I would/would not recommend this
book... because...
The type of reader it will suit is...

I rate this book.... because...

Success Criteria:

- date,
- dear diary,
- first person,
- time adverbials,
- past tense,
- colloquial language,
- rhetorical questions,
- emotive language
- paragraphs

INTRODUCTION (Remember the 5 W's)

[illegible]

QUOTES I WILL USE (Remember inverted Commas)

[illegible]

PARAGRAPH 2 (Go into more detail about who and what)

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. On the left side, there is a vertical margin line, creating a narrow left margin. The paper appears to be from a notebook or a standard ruled document.

HEADLINE

PARAGRAPH 3 (Go into more detail about where and when)

[illegible]

Sentence Openers and Connectives that I will use are:

[illegible]

CONCLUSION (You might need to change tense – what is happening now and in the future)

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and extend across the width of the page. There are no margins or other markings on the paper.

Newspaper Report Template

| 3 | | | | | | | | | | |
| 4 | | | | | | | | | | |
| 8 | | | | | | | | | | |
| 6 | | | | | | | | | | |
| 7 | | | | | | | | | | |
| 9 | | | | | | | | | | |
| 11 | | | | | | | | | | |

Instructions

You have 5 minutes to do your best.

In the boxes, write the answer you get when you multiply the number to the left by the number above.

For example, in the first box you write the answer to 10×2 . In the last box you write the answer to 11×12 .

Hint: you can start with your favourite rows or columns. You don't have to start with row 1.

Time: _____ Score : _____

Y4 Fraction Investigations

Counting in Fractions

Write the next sequence of the fractions below.

$\frac{1}{2}, 1, 1\frac{1}{2}, 2, \underline{\hspace{1cm}}, \underline{\hspace{1cm}}$

Fill in the blanks

Complete the number-lines and the bar model.

Complete the number line to show the improper fractions sequence as a mixed number sequence.

Here is a number sequence. Which fraction would come next?

$\frac{5}{10}, \frac{7}{10}, \frac{10}{10}, \frac{14}{10}, \frac{19}{10}, \underline{\hspace{1cm}}$

Word Problems

1) Mr Carroll has 64 sweets. He eats $\frac{1}{8}$. How many does he eat?

2) Miss Swire eats $\frac{3}{8}$ **more**. How many does she eat?

3) The zoo keeper has 56 apples. She gives $\frac{2}{7}$ to the tigers to feed them. How many does she give to feed them?

3) I have £81. I gave $\frac{1}{9}$ of my money to WWF charity to help save the tigers. How much did I give?

4) How much do I have left?

5) There are 72 bees in the hive. $\frac{2}{8}$ have brought pollen back. How many bees brought the pollen?

Sound Survey

Take a walk around indoors or outside to identify and describe the sounds you can hear! What is making each sound? Listen carefully. Can you hear high and low sounds? Can you hear loud and quiet sounds?

Fill in the table by describing the sounds you can hear.

| What can you hear? | Is it high or low? | Is it loud or quiet? |
|--------------------|--------------------|----------------------|
| | | |
| | | |
| | | |
| | | |
| | | |
| | | |
| | | |
| | | |
| | | |
| | | |

How did these sounds reach your ears? Choose one of the sounds you heard and draw or write about how that sound travelled from its source to your ear.
