

27th January 2022

Dear Parents and Carers

Re: Number Day – Friday 4th February

We are delighted to be supporting the NSPCC by taking part in **Number Day** on **Friday 4th February 2022**.

Everything the NSPCC does protects children today and prevents about tomorrow

Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive ‘can-do’ attitude towards it.

- 
- We are working to solve exciting maths puzzles in our classes, against the clock with Buddy, the *Speak out Stay safe* mascot.
 - We are having a fun day of maths activities and we will be taking part in *Dress up for Digits*. Pupils are asked to wear an item of clothing with a number on it (football shirt, cap, netball shirt or even a onesie!) or get even more creative by dressing in a maths or numbers theme. To help raise money for the NSPCC, we are asking for a donation of £1 and we would love everyone in the school to take part in this special event.
 - TTRS has launched a competition on Number Day for schools across the UK on 4th February for one day only. It is all done online via play.ttrockstars.com. For every correct answer to a multiplication or division question, your child will earn their class a point. The Times Tables Rock Stars platform will calculate the class average (the number of correct answers per pupil in the class who play during the competition hours, subject to a daily 60-minute limit (see below). Children will be given an opportunity to log on and play during the day but please do log on at home and get playing!

It all adds up

We are really looking forward to all the fun of Number Day and appreciate your support. All the money we raise at Grange will make an enormous difference to children today and help the NSPCC be there for children tomorrow.

Thank you.

Yours sincerely

Mrs H Ryatt
Maths Lead
