## **TO THE PARENTS AND CARERS OF YEAR 5 AND YEAR 6 CHILDREN**

Dear Parent/Carer

### **RE: Pupil Questionnaire – keeping ourselves safe**

At Grange, we take our responsibility to keep the children safe very seriously. Part of this is helping the children to understand how to keep themselves safe. This includes knowing:

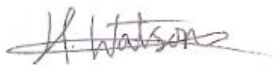

- How to resist peer pressure and emotional manipulation
- How to deal with issues with their peers
- How to keep themselves safe online

**Our goal is that children should always treat themselves with respect and be treated with respect by others.** This is all part of the CC Way of Confidence and Consideration.

To do this, we will be carrying out a **questionnaire** in the coming weeks to find out which issues are affecting our children in school. Once we know this information, we can plan how best to support them to deal with these issues.

**The children may wish to discuss this with you at home so please do continue these conversations about how to keep themselves safe.** If you need any support with this, do not hesitate to get in contact with us.

Yours sincerely

Mrs Watson
