To Parents/Carers of Year 2 Children

Dear Parent/Carer

Re: Dinner Money Arrangements and Procedures

Please note that next year your child is going to Year 3 and will no longer automatically receive free school meals.

All school meals must be paid for in advance. ParentPay is the system we use for you to pay for your child's Dinner Money account online. Lunches will not be available to your child until an account has been set up and funds are available to cover the cost. The weekly cost is £10.75.

If you feel you may be entitled to free school meals, please go to <https://pps.lgfl.org.uk> to check your eligibility. You must ensure you select the notify school option next to your child's name in order for your eligibility to be confirmed and applied. School meals must be paid for until school has been notified that you are eligible.

If you know you do not qualify for free school meals, you must set up a ParentPay account for your child to pay for lunches. No cash payments are accepted in school. Please use ParentPay.com to access your child's ParentPay account. **Please note that all lunches must be paid for in advance.**

If you need any help accessing your ParentPay account, please call the school office to speak to Mrs Mukadam who will assist you.

Yours sincerely

Mr Kerbel
Headteacher
