TO THE PARENTS AND CARERS OF YEAR 5 CHILDREN

Dear Parent/Carer

RE: CHANGE TO YEAR 5 DROP-OFF AND PICK-UP LOCATION

To maximise the learning time Year 5 children have in school, we are moving their morning drop-off and after school pick-up location to the front entrance via Welbeck Road from Monday 14th March. Please drop your Year 5 child off at this entrance by 8.30am in the morning, where they will then walk the 30 seconds straight into class to begin their learning. If you have children in other year groups, they can also arrive through this entrance and they will be guided to their classroom. Please collect your child from this entrance at 3.15pm. The children will exit through the small carpark by the blue gates.

Grange teachers and educators will have a learning task planned for your child from the minute they walk through the door, so please aim to arrive by 8.30am. This will mean the children receive an additional 15 minutes per day, equating to 75 minutes per week. This could mean the difference between children learning the base knowledge needed to access the main lesson, so it will be incredibly beneficial for their learning.

We are aware that change may not be easy for many reasons so please let the school office know if there are any major barriers to this change. We will of course work together to maximise learning for all children, while understanding individual circumstance.

Yours sincerely

Mr Rasheed
Assistant Headteacher
