Dear Parents/Carers who drive to school,

A parent of the Grange Community has informed us that there are **no parking restrictions** before 9am on **Coles Crescent**. You are able to park your car on the road and take a short walk (less than 5 minutes) to Grange. Not only will this reduce the traffic outside school in the mornings, but it will make it much safer for children, parents and carers.

Dear Grange Community,

Another half-term has flown by and we need to pause and reflect!

I would love feedback from any member of the Grange community and I encourage you to write to me at office@grange.harrow.sch.uk. Please put 'Feedback for Headteacher' in the subject heading. I love listening to all of you and working together to make our school fabulous and collaborative.

I was particularly inspired by the PTA meeting yesterday which had an attendance of approximately 40 parents and carers who generated some exciting ideas - I am looking so forward to the forthcoming impact of the renewed and refreshed Grange PTA facilitated by Ms Joshi of Grange.

From my perspective, this half-term has been a truly enriching, progressive and meaningful half-term.

I have met with each subject leader at Grange and we have revisited their intention and vision for the subject at our school.

It is so powerful to hear the passion and focus which they bring to make sure that each subject on our curriculum is instilled with meaning for our children of Grange.

You can read these statements on our website: <https://www.grange.harrow.sch.uk/learning>

There is a statement for each subject except for Geography which will be uploaded during the half-term break.

The statement is there but it needs to be uploaded.

Our key daily work at Grange is to ensure that the vision (intention) of each subject leader is implemented by the teaching staff and we assure that by monitoring pupil voice and looking at books and visiting lessons to see first-hand that the intention is translated into the provision.

A great example of this was the Victorian day held in Year 3 and I hope you can see from the exquisite photographs just how enthralled the children are by the learning. History is alive at Grange because it is teaching the children about where we have come from; what we have learnt and continue to learn from the past and how we progress as civilization.

It was a fabulous learning opportunity and a special thank you to parents and carers for supporting us and getting the children so into costume and character

Our biggest goal and singular overall vision, is to turn the intention and implementation into impact: making the learning stick in the hearts and minds of our children so they can grow forward building their powers of confidence and consideration to become wise human beings making the world a better place through their lives.

For this reason we assess and track data of pupils to check that we are on track and continuously review our provision to keep us improving and developing.

We assess - do - review and keep the cycle going.

We strive to become our best at Grange because we are more than a school, we are a learning community.

Enjoy the half-term break and keep reading.

Children who read for pleasure statistically have better chances for good lives in the future.

A special thank you to our Grange Staff who are true difference - makers through their dedication, skill and passion for giving our children the best educational provision.

Thank you to Parents and Carers of Grange for choosing and supporting our school - these children of Grange are our hope for the future!

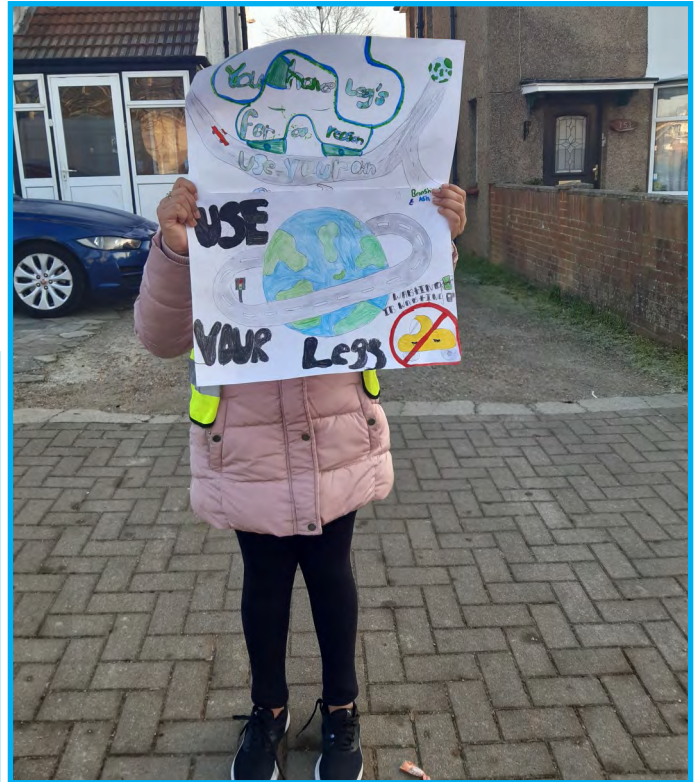

Be great; Be Grange.

"DRIVE LESS, WALK MORE" DEMONSTRATION

On Wednesday 8th February, Student Council held their "**Drive Less, Walk More**" demonstration outside the front of the school on Welbeck Road. They bravely stood out in minus temperatures to get their point across: *be cool and walk to school!*

"Don't be a fool, walk to school!"

Student Council would like to encourage parents & carers to walk to school instead of driving! Whether it be the whole way to school, half of the way or just leaving your car a little bit further down the road and walking for just a couple of minutes! Everything makes a difference, not only to our school but the world & environment too.

"If it's in range, walk to Grange!"

"Be cool and walk to school!"

Student Council will be doing another demonstration after half term, so watch this space and find out how you can get involved!

ATHLETICS COMPETITION

On Tuesday 24th January, 18 excited pupils from Year 5 and 6 represented Grange in a Harrow wide athletics event held at Harrow Leisure Centre. The children competed in a range of different track and field events and thoroughly enjoyed themselves!

Our pupils did really well and finished in 8th position out of the 14 schools that took part. We are very proud of the way the children represented Grange and we are looking forward to many more sporting competitions after the half term break.

A big thank you to our PE Coach, Mr Dowling for preparing the children for the event and thanks to Ms Kabir and Ms Laugenie for accompanying the children to the competition.

YEAR 3 VICTORIAN DAY

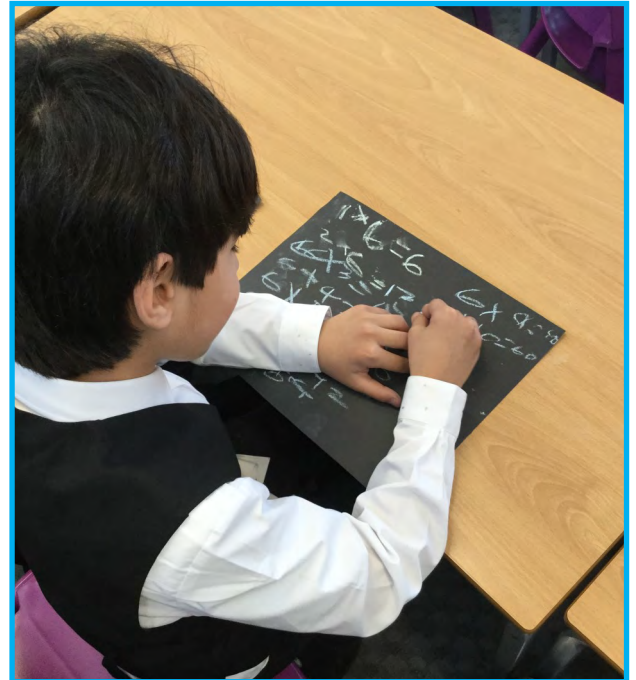

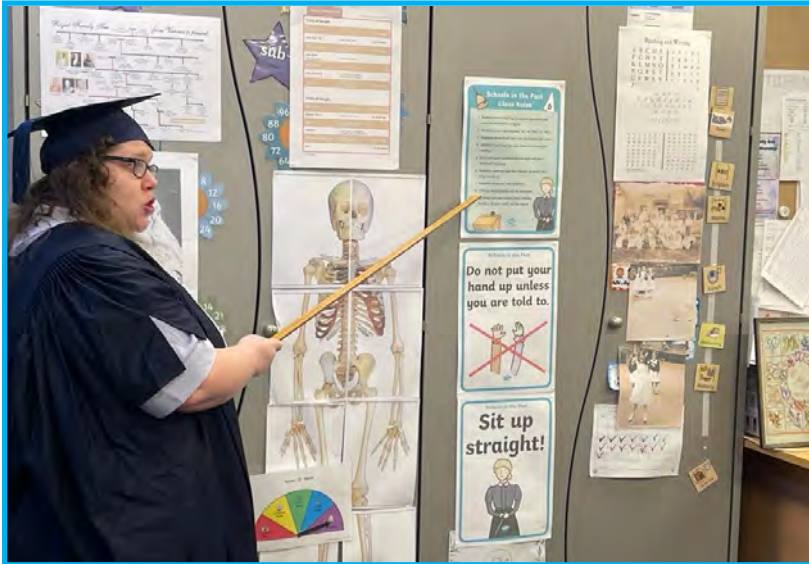

On Thursday 9th January, Year 3 had a Victorian Day! They dressed up, played and learnt like Victorian children. They had lots of fun pretending but are extremely relieved that it is not their daily life!

Year 3 Rumi were converting measurements in maths class and played with chalk & homemade cup and ball toys at break time!

Confirmation of your appointment(s) will be sent to the email address you provide.
Access to the school will be via the playground on Furness Road only

All appointments must be made on **SchoolCloud** or via your child's class teacher.

Access to the school for Parents Evening will be via Furness Road (playground side) only.

OPEN MORNING: THANK YOU

To all parents & carers who have attended the open mornings over the last few weeks, thank you for coming! We appreciate all of our parents & carers and have welcomed the feedback that has been given.

We strive to do well for each and every child and loved to see the children showing off their work proudly.

Great Grange Geography Quiz

Look out for Mr Kerbel & Miss Morgan's YouTube video of the Great Grange Geography Quiz every Monday!

Children can bring their answers to their teacher on a piece of paper and they will receive a Great Grange Geography Quiz reward on Classcharts!
This week's questions are...
