Year 4 share their insights and knowledge about why Sikhs have a dress code.

Does it matter what we wear and why?

I think it does because based on our religions we wear our special clothes and when we go to a temple and we wear Christian clothes people will think if you're a Christian or Hindus. (Kaetharani - Malala class)

Yes, because if you don't wear your religious clothing that means you are not respecting your religion. (Farhan - Malala)

How does wearing a special item of clothing remind Sikh's of their faith?

It reminds them because their turban or chunni could remind them that they have to help people. (Wadiya - Malala)

Year 5 Religious Education

The children have been exploring the Judeo-Christian Creation Story and comparing it to the Islamic Creation Story. The children have also learnt about The Big Bang that Humanists believe created the universe.

Tuesday 16th January 2024

The universe started was started by Vishnu, Shiva and Brahma. They created the so soon, made humans, made animals, made Earth and other planets. I know about the Christian creation story, Muslim Islamic creation story, Jewish creation story and the Hindu creation story. I prefer the Hindu creation stories as it was the earliest.

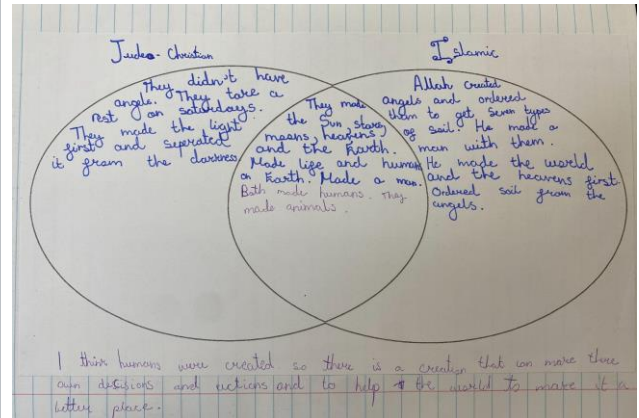

21. To compare 2 creation stories

What Jo Cox MP meant was that we have more things in common than things we ~~have~~ don't have in common.

The creation stories from different religions are very similar. This shows that we have more in common than things we don't have in common.

I think humans were created to have words be loved and the gods wanted to.

Bathanan - Matisse

I have been learning about Humanism and what they believe. The one thing I learned in RE which is new is the word Humanist which I didn't know before.

Can you describe the Easter story?

In the Easter story, Jesus got nailed onto a cross and died but returned.

Upon arriving in a town, Jesus delivered a powerful speech that captivated the hearts of the people, who showered him with praise. However, in a heart-breaking turn of events, one of his most devoted disciples, Judas, succumbed to the lure of 30 pieces of silver and betrayed Jesus by revealing his whereabouts. (Issam)

One night, God told Mary and Joseph they would get a special baby, Jesus. The king got scared that Jesus might become the next king, so he sent people to kill him. They nailed him onto a cross, and he came back alive three days later. That's why Easter lasts for three days. (Zohal)

The Easter story marks the resurrection of Jesus three days after his death by crucifixion. (Maya)

Which is the most vital part of the story that affects Christian beliefs and why?

The most vital part was when Jesus came up again.

After Jesus died and that's because he was the king of the Jews. (Simina)

The most vital part that affects Christian beliefs is Jesus because he is the son of god and was sent down to earth by God. (Maya)

What is Pancake Day?

Pancake day is also known as Shrove Tuesday. It is a day where people make pancakes to start Christian Festival of Lent. Lent is a period of 40 days before Jesus Christ died, who Christians believe is the Son of God. During these 40 days, Christians fast and often give up different foods. Christians now, usually sacrifice foods such as chocolate and sweets. However, back then, people used to sacrifice foods such as eggs, flour and milk.

In Grange, we celebrated Pancake Day by the PTA making 500 pancakes for the people of Grange.
